Thanks Wendy,

Right now I think there may be 6 coming. Probably should tell security.

Pat,

In case this is the first time at our bldg, we have security with metal detectors. Sharp objects are prohibited. Once through security, you'll meet with the receptionist who will need an ID to get a visitor's badge. Please give yourselves extra time.

I've reserved the Big Horn. After check in, go up the flight of stairs and it'll be one of the rooms to your left. There's usually another receptionist at the top who direct you to the room in case I'm not there.

How many people are coming? If it's more than 5 or so, I need to give security a heads up, Wendy

OK,

I will set this meeting up for 2 pm at your office on May 9.

I would like to go over all the info we have on the Dakota.

And also go over details on possible additional work on the well, if needed.
